DELIVER OPENING OF BUSINESS

TOHAK 48

GENERAL HAIG

MEMORANDUM FOR:

PHIL ODEEN

SUBJECT:

FR OM:

STOCKPILE GUIDANCE

OMB NEEDS A PROMPT DECISION OF THE STOCKPILE GUIDANCE AS IT AFFECTS FY 74 REVENUE FOR CASTS.

WITH RESPECT TO WHY THIS ISSUE NEEDS TO BE ADDRESSED, THERE ARE AT LEAST FOUR REASONS: (1) PRESENT GUIDANCE IS POORLY DEFINED AND ASPECTS MAKE LITTLE SENSE; (2) CONGRESSIONAL COMMITTEES HAVE BEEN CRITICAL OF THE INADEQUACIES OF CURRENT GUIDANCE AND HAVE BEEN PROMISED A FULLER RATIONALE FOR THE PROGRAM NEXT YEAR -- THIS HAS HELD UP SALES AUTHORITY; (3) SALES OF UNNEEDED MATERIEL GENERATES REVENUE WHICH CAN BE USED FOR FAR MORE USEFUL DEFENSE OR NON-DEFENSE PURPOSES; AND, (4) THE PRESIDENT DIRECTED US TO REVIEW THE STOCKPILE PROGRAM IN ORDER TO FIND A RATIONAL WAY TO CUT BACK ON THE INVENTORY.

BUREAUCRATICALLY, THE STUDY HAS BEEN REVIEWED AND ACCEPTED BY THE CONCERNED AGENCIES AND AGENCY POSITIONS ELICITED. FAILURE TO ACT ON THE ISSUE REFLECTS POORLY ON THE NSC SYSTEM.

THE RECOMMENDED OPTION IS A PRUDENT CHOICE (ENDORSED BY OSD AND JCS). EXCEPT FOR A FEW BUREAUCRATS AT OEP WHO SEE THE STOCKPOLE AS IMPORTANT TO THEIR JOB SECURITY, I FORESEE NO PROBLEM IF THE PRESIDENT SELECTS OUR SUGGESTED OPTION.

RECOMMEND THAT YOU URGE HAK TO ACT ON THIS PAPER DURING PARIS STAY OR ON RETURN TRIP IF POSSIBLE.
